The 1-6x24mm comes with quick zoom lever.

Reversible monolithic 30MM tactical mount included.

TRUGLO TRU-BRITE 30 Series Illuminated Compact Rifle Scopes

TRUGLO TRU-BRITE 30 Series illuminated compact rifle scopes are a perfect pairing for AR-15/AR-10 platform rifles. The 30mm tube enhances brightness in either 1-4x24mm or 1-6x24mm variable zoom magnification. Multi-coated lenses assure clarity and contrast even in difficult shooting light. True one-power magnification provides a field of view so wide you may shoot with both eyes open. Generous 3.75-inch eye relief. Leaf spring click adjustments for windage and elevation. Shock resistant to 1000g. Waterproof and fog-proof with nitrogen-gas fill. The 1-6x24mm includes a quick zoom lever. Both models come with a reversible monolithic tactical mount CNC-machined from aircraft-grade aluminum. Also includes two pre-calibrated BDC turrets in .223 (55-grain) and .308 (168-grain) to engage targets up to 800 yards away. MSRP for the 1-4x \$184; for the 1-6x \$270. been confirmed by independent testing to be the most accurate subsonic round designed to cycle reliably through a semi-automatic. MSRP for 50-count box of either \$9.99. Contact: ELEY, Dept. FFG, 254 Buttercup Loop, Kalispell, MT 59901; (406) 212-7824; www.eleyammunition.com

FoxPro Crooked Spur with its innovative hand-fitted ergonomic shape allows consistent, comfortable calling with either hand from the same pot-type turkey call. Make a variety of realistic hen and gobbler sounds by simply striking different areas of the surface to vary the pitch. Convince a wary old tom that a harem awaits with soft and subtle purrs, putts and tree yelps. Or crank it up with loud cuts, clucks and yelps that reach out to distant gobblers. Sound ports on the top and bottom provide maximum volume and sound distribution. Available in slate or glass. Comes with a solid one-piece striker. Proudly made in the USA. MSRP \$39.95.
